Re: *Ricky Dudley v. Christian W.E. Haub, et al.*,
Case No.: 11-5196 (WJM-MF)

Dear Judge Martini:

I write on behalf of the lead plaintiffs seeking the court's permission to file one brief in 14-point font not to exceed 98 pages in oppositions to the defendants' briefs in support of their motions to dismiss. We believe the extension is necessary because of the volume of material to which we are responding: two briefs totaling 115 pages and an additional 68 pages of "Appendices" which purport to analyze the allegations of the Amended Complaint together with more than 600 pages of additional material.

I represent to Your Honor that the defendants have advised us they do not object to this request.

We thank Your Honor in advance for considering this request, and ask that, if it is approved, Your Honor So Order it below.

Respectfully submitted,

/s/ Peter S. Pearlman
